NAME: Flat Stanley  
AGE: 11  
BIRTHDAY: 2nd October 2007  
(day when I was created)

WHERE I LIVE: Alameda - Portugal  
SCHOOL NAME: Escola Básica e Secundária Francisco Simões

### This is a photo of me and my class!

### How I became flat...

Please, tell us how you got completely flat...

It happened one night  
I was sleeping in my bedroom  
when the fan moved and fell on me. I  
don't know why!  
Maybe my brother Arthur was  
messing the fan.  
So there was an earthquake at  
night!  
Well, next morning when I woke up  
I was as flat as a pancake.  
Now, I can travel inside an  
envelope and visit new countries.

### What a fun time with you!

Please, tell us what Stanley did during his visit with you

During his visit in France, Stanley  
or rather "Tugal" visited our French  
school. He discovered the different  
classrooms, playground and had  
a nice time playing outside with us. He was  
a bit cold, because in October, you need  
to have a jacket and a scarf.  
He went to French class and he knows  
how to say Hello → Bonjour  
How are you? → Comment vas tu?  
Goodbye → au revoir  
and he tasted many nice typical food  
dishes. He loved cheese on baguette.  
Don't tell your teacher on baguette  
some wine as well...  
It was really nice having him with us.  
Bye
