

# eTwinning Desktop

*Your place on the eTwinning platform*

*Follow your facilitator and complete tasks below (put ✓ if completed). Don't hesitate to ask if there is something you are not sure.*

| <b>1. My Profile</b>  | <b>Completed?</b> |
|---|-------------------|
| Edit your profile by putting in your school's website address   |                   |
| Upload a picture to the <b>Teacher Gallery</b><br><i>Use a picture of yourself or image from internet</i> |                   |
| Upload a picture to the <b>School Gallery</b><br>Taken from your school website                           |                   |
| Set your availability for eTwinning projects for Yes  |                   |
| Write a message in <b>My Journal</b> , introducing yourself to other eTwinners                            |                   |
| Share a link or document of something interesting in <b>My Journal</b>                                    |                   |

| <b>2. Partner Finding</b>  | <b>Completed?</b> |
|--|-------------------|
| Search for at least 3 of your workshop mates in the <b>partner finding</b> search engine |                   |
| Add at least 3 new people to your <b>contact list</b>                                    |                   |
| Visit your <b>contact's profiles</b> and replay to one their Journal posts               |                   |
| Visit your contact's profiles and 'like' one of their <b>Journal posts</b>               |                   |
| Send an eTwinning <b>email message</b> to one of your contacts                           |                   |

| <b>3. Resources</b>                                       | <b>Completed?</b> |
|---|-------------------|
| Search the Resource tab for suitable math based resources |                   |
| Rate the resource you think is best                       |                   |
