5) Go to http://quikmaps.com/. Click on "Draw a quick map". Create a new map, add some markers. Then "save and generate a code".

- 6) Go back to TwinSpace and create a Wiki of your country. Embed the map. Create "Child pages" (Create a wiki → Click in Edit → On the new window, change the language "creoule" to "Html" → click in "Source" and embed the code from the quikmaps).
- 7) Add children pages to your wiki. Put an image one child page. / on the child page? É isso?

8) Publish your country's Activity page – Ask Ana or Teresa for any help you need... 🙂...
