

# “Yes I Can” – Empowering Student Learning

Start date: 21 January 2019

## DESCRIPTION

- Students' learning takes place not only in school, but in **non-formal** and **informal learning settings**.
- This course is a chance for teachers to **reflect on how to empower students** to learn better in **different learning settings** by creating synergies.
- You will learn two concrete teaching approaches that can empower students in their own learning: **Personalised** and **collaborative learning**.

## OBJECTIVES

- Learn how to **encourage** your **students** to make links between their formal, non-formal and informal learning experiences
- Empower them to **identify** their own **learning styles** and abilities
- **Make** your **teaching more relevant** and inclusive by personalising it based on your students' needs and interests
- **Organise group work** with your students that enables you to develop 21st-century skills and to explore new learning spaces.
