A new way to look at school

What we have

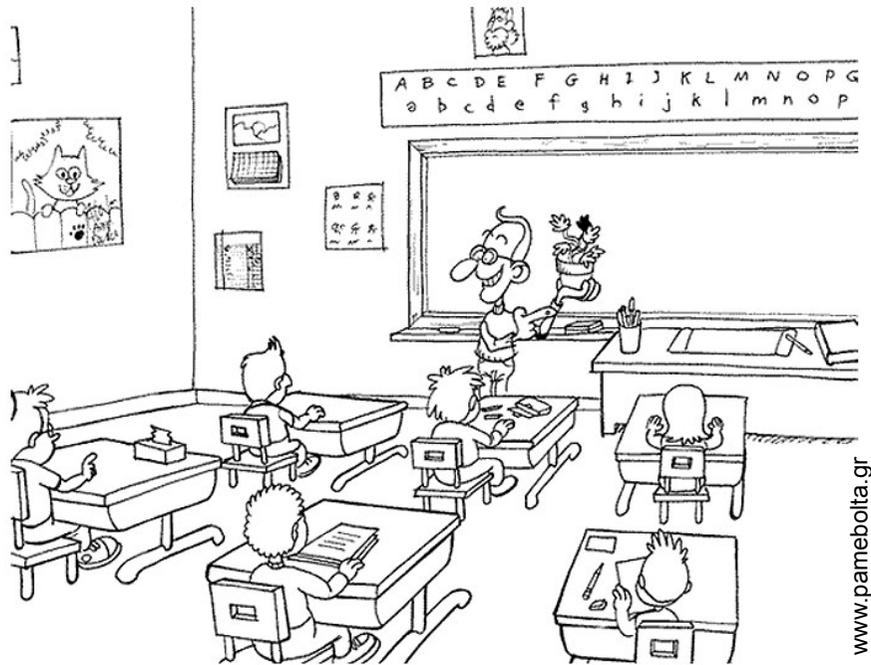

What do we need to teach in this context?

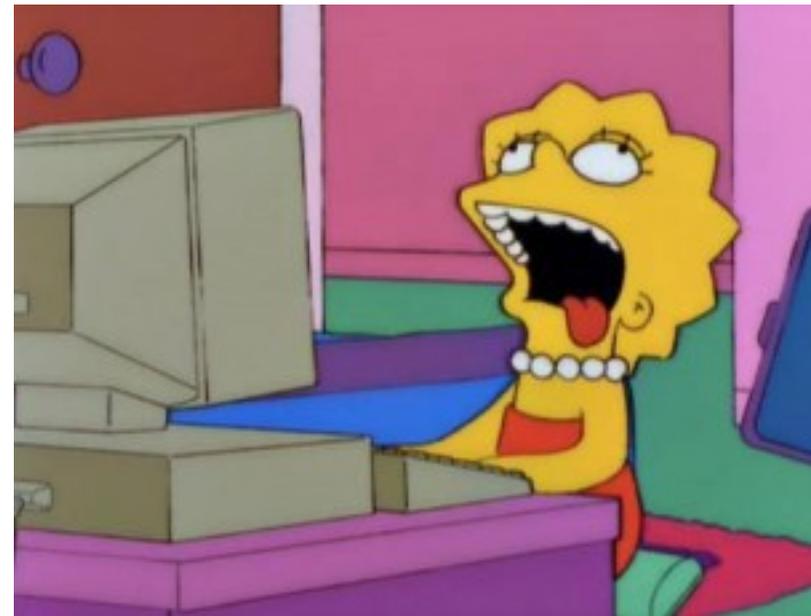

What we need

Change
Adapt Adequate
Update

Our schools today

Our students today

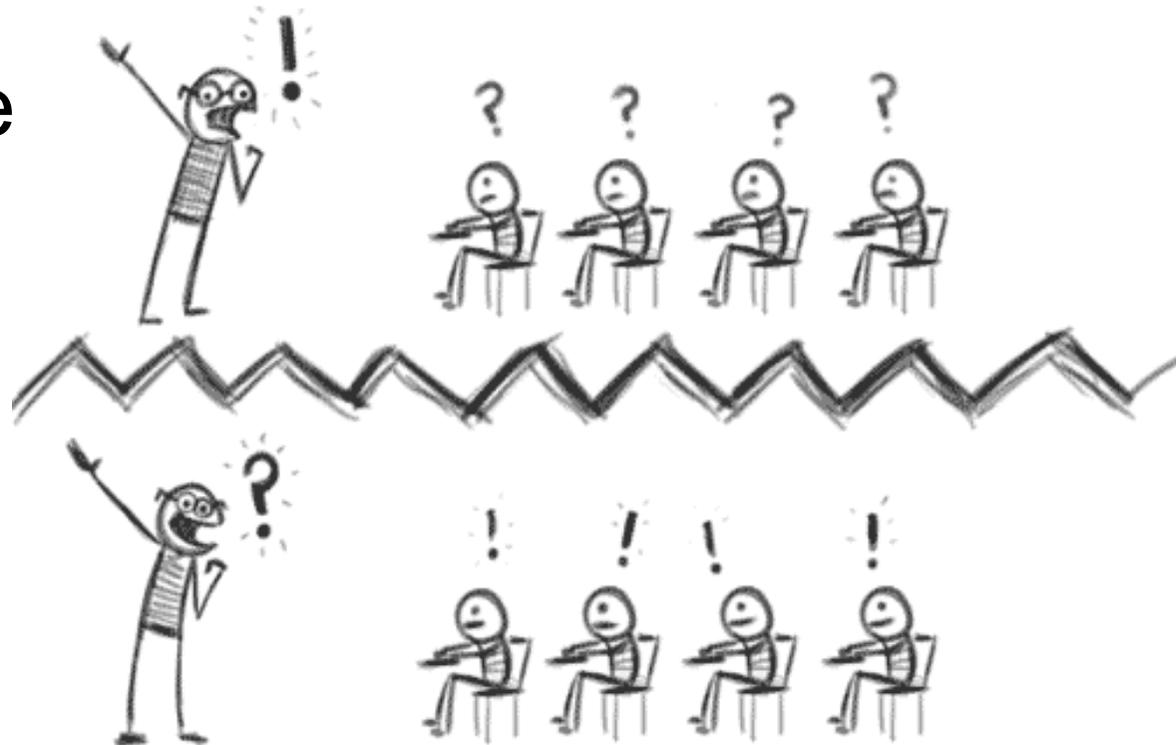

If teachers can only provide content, facts, dates, formulas, research, theories, stories ...

Then our role in the lives of students is obsolete...

The screenshot shows the eTwinning Desktop interface. At the top, there is a search bar and a language dropdown set to English. Below this is a navigation bar with links for HOME, PROFILE, PROJECTS, FIND ETWINNERS, TEACHERS ROOMS, RESOURCES, and HELPDESK. A user profile for Rute Baptista is visible, along with a notification badge for 146 notifications. The main content area features a featured article titled "PDW eTwinning - Closing the Gap between Family and School: The role of Digital Technologies". Below the article are sections for Pages, Images, and Videos, each with a "CREATE A PAGE", "ADD IMAGES", or "ADD VIDEOS" button. At the bottom, there are sections for Teacher Bulletin and Project Journal, each with a "Type here" input field and a "Post" button.
